

HAKUZO

Powder Free

PLASTICEX GLOVES

The gloves can be taken out from both frontside and backside of the box.

With differently shaped openings on the frontside and backside, the box can be positioned vertically or horizontally.

Hakuzo Medical Corporation

Instructions Comes with differently shaped openings on the frontside and backside, the box can be positioned vertically or horizontally.

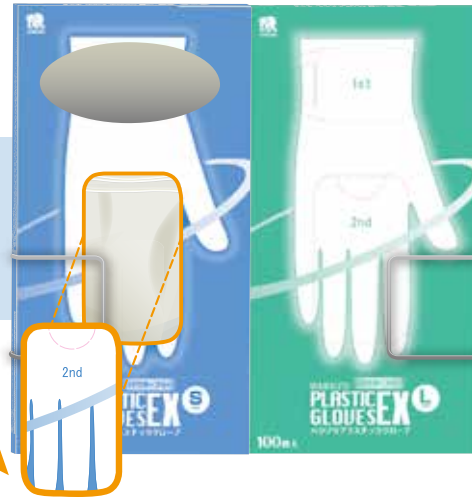

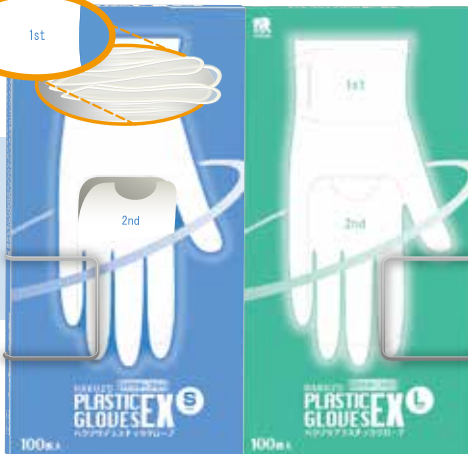

Frontside (Horizontal)

1st The gloves are pointing toward the same direction and can be taken out by grasping the cuff.

2nd 2nd opening makes it easier to take out the gloves when only a few of them are left.

Backside (Vertical)

Customized Holder
